

NOTICE OF PUBLIC INFORMATION FORUM

The Regional Municipality of York (York Region) is undertaking the Upper York Sewage Solutions (UYSS) Environmental Assessment (EA), in accordance with the Ontario *Environmental Assessment Act*, to determine wastewater servicing for the Towns of Aurora, East Gwillimbury and Newmarket to meet provincially approved growth to 2031.

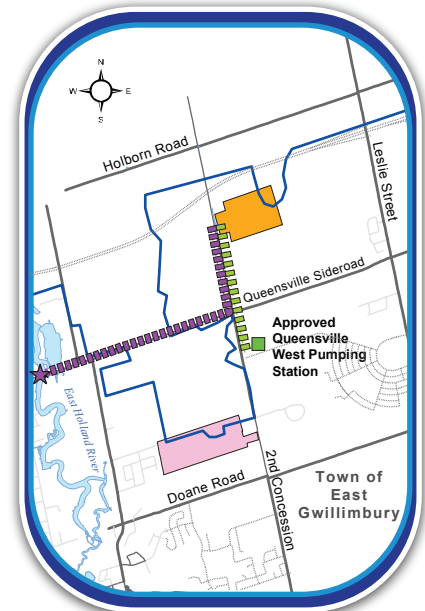

As a result of extensive consultation, York Region has identified a recommended site for the proposed Water Reclamation Centre on 2nd Concession one kilometre north of Queensville Sideroad in East Gwillimbury along with trunk sewer pipes to transport sewage to the Water Reclamation Centre for treatment and a pipe to carry treated water to the outfall. This is to accommodate wastewater from provincially approved growth in East Gwillimbury and a portion of Newmarket (see map). The proposed Water Reclamation Centre will employ environmentally sustainable wastewater purification and water recycling technologies.

Wastewater from provincially approved growth to 2031 in Aurora and the remainder of Newmarket would be conveyed to the existing York Durham Sewage System (YDSS) for treatment and discharge to Lake Ontario. This growth would require an additional wastewater sewage pipe. York Region has identified a recommended route for this additional sewer close to the existing YDSS forcemain alignment principally following the Tom Taylor Trail (see map).

Please join us at the Public Information Forum to hear about and provide your comments on these recommendations. These recommendations will be finalized based on your comments and further developed during the Impact Assessment stage of the UYSS EA.

Recommended Water Reclamation Centre Site

- UYSS Service Area
- Conveyance Infrastructure
- Proposed Outfall
- Recommended Water Reclamation Centre Site (WH1 West)
- Existing Approved Holland Landing Water Pollution Control Plant (Lagoons)

Recommended Wastewater Conveyance Route

- Recommended Route (Alternative A)
- Existing Gravity Sewer
- Municipal Boundary

Tuesday, October 23rd

The ROC Chalet
(beside the Town of Georgina Civic Centre)
26479 Civic Centre Road
Keswick ON L4P 3G1

Open House begins at 6:30 p.m.,
Presentation and Question & Answer Period from 7 p.m. to 9 p.m.
